## DAY 2

### SWEETWATERS & OL PEJETA

After breakfast this morning, drive to the Ol Pejeta Conservancy, a private game sanctuary situated on the Laikipia Plains near Mount Kenya, arriving in time for lunch at Sweetwaters Tented Camp.

Built on the grounds of a colonial-era farm inside the conservancy, Sweetwaters is the perfect base for exploring Ol Pejeta. After settling into your accommodations, set out into the bush for your first game-viewing drive. Later this afternoon, you will tour Sweetwater's Chimpanzee Sanctuary -the only facility of its kind in Kenya. The sanctuary provides an authentic habitat for rescued chimpanzees who cannot otherwise be re-introduced into the wild. It's a powerful and memorable experience that highlights the challenges and responsibilities of wildlife protection and conservation. Upon your return to camp, you can relax on your private verandah overlooking the camp's extensive and lighted water hole, take a dip in the pool, or catalog the day's haul of wildlife photographs. After dinner, relax by the fire or retire to the wonderful ambiance of your tent. The camp's luxurious tents all feature comfortable beds, electricity, hot/cold running water, and full in-suite bathroom with shower.

### DAY 4

### SAMBURU NATIONAL RESERVE

After another lovely breakfast this morning, we head north to Samburu, arriving in time for lunch at Elephant Bedroom Camp. Enjoy an afternoon game drive through Samburu followed by dinner at the camp. Don't be surprised to find an elephant wandering down the path in this aptly-named camp.

**Samburu National Reserve** lies within the lands of the Samburu, cousins of the Maasai. The reserve is one of the best places to find several endemic northern species including gerenuk, reticulated giraffe, and Grevy's zebra. The area is quite arid, causing the game to congregate near the Ewaso Nyiro river which runs through the reserve. This concentration of wildlife makes game viewing particularly good.

## DAY 6

## MAASAI MARA

Setting out after breakfast, we depart Elephant Bedroom Camp for the airstrip for your flight to Mara North airstrip in the Maasai Mara. Set on the banks of the hippo-filled *Mara* river, the camp is blessed with great views of the Mara Savanna.

The **Maasai Mara Game Reserve** is widely considered to be one of Africa's greatest reserves, where the Maasai community co-exists in harmony with the local fauna. The co-existence of man and wildlife makes this one of the world's most unique wilderness regions. The Mara is home to a breathtaking array of life. The vast grasslands are teeming with herds of zebra, giraffe, gazelle, and topi. The acacia forests abound with monkeys and bird life. Elephants and buffalo wallow in the wide Musiara Swamp while the *Mara* and *Talek* rivers brim with hippos and crocodiles. From July through October, the Mara plays host to one of the greatest spectacles on the planet as millions of wildebeest, zebra, gazelle and topi head north from Tanzania into Kenya. Those fortunate enough to witness **The Great Migration** are treated to spectacular viewing and photographic opportunities. Enjoy an afternoon game drive in this natural paradise, returning to the camp for dinner, relaxation around the fire pit, and overnight.

## BALLOON SAFARI ADD-ON

Optional but highly recommended, the Balloon Safari is a very popular excursion among visitors and can be added to a safari that includes a night at any of the camps/lodges in the Mara. Meeting your pilot early this morning, you will receive a briefing and watch as the balloon is inflated. You lift-off at dawn, rising with the sun and gently float in whichever direction the winds of the morning take you. Below are the majestic plains of the African savannah, teeming with life. At times, your balloon will be piloted at treetop level, offering unique perspectives of the wildlife and many great photo opportunities. Other times, the pilot will ascend to nearly 1,000 feet, offering a breathtaking perspective of the Mara, allowing you to appreciate its profound size. On landing, enjoy a delicious champagne breakfast served in the bush under an acacia tree. Total flight time from lift-off until touch-down is approximately one to two hours.

## DAY 9

## RETURN TO NAIROBI & FAREWELL

After breakfast you will be transferred to the airstrip for your scheduled flight back to Nairobi. Upon landing, you will be transferred to Carnivore Restaurant for a farewell dinner before heading to Jomo Kenyatta International Airport where you embark for home. Sadly, the adventure comes to an end, but the memories are forever.

**The Carnivore Restaurant** is renowned for its variety of exotic meats and famous “dawa” cocktails. A uniquely Kenyan take on the Brazilian *churrascaria*, an enormous variety of meat is roasted on huge metal spears over a hot coal fire and carved at your table onto piping hot plates. Fresh salads, unusual side dishes, and assorted sauces accompany beef, pork, lamb, goat, sausages, chicken, ostrich, and occasionally crocodile
